

It's Swimming day!

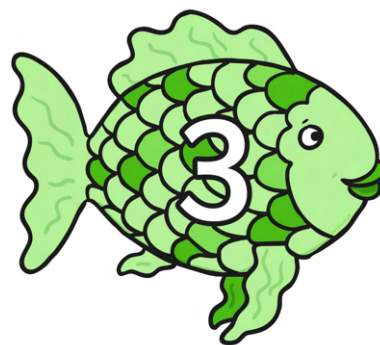

Group Lessons

I check in and get a
bracelet.

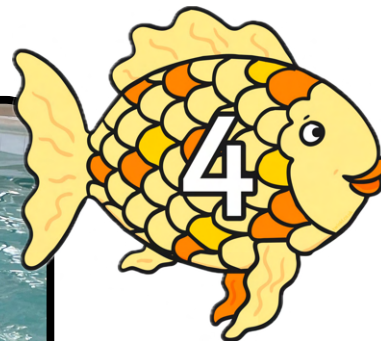

I go in when they tell me to, and find a dot that matches my bracelet.

I get in the water when the teacher invites me in. It's so warm!

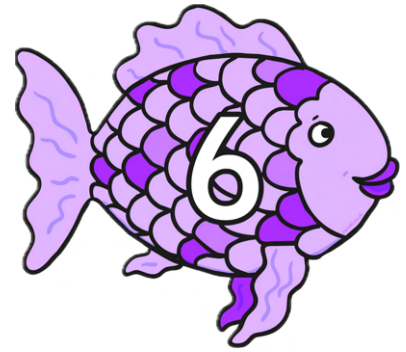

We play lots of fun games together.

We learn new things.

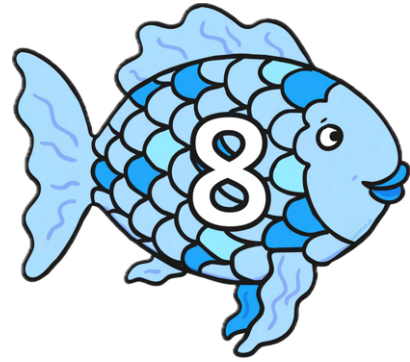

We repeat the same activities lots of times so we will get really good at it.

SO fun!

Time to say goodbye
with a high-five.

I love swimming day!
